CHECK-INS AND PLAYTIME

Check-ins \

- Welcome and receive kids as they arrive.
- Introduce yourself to the child. "Hello ____, my name is Miss./Mr. ____."
- **Remind the parents that their child's safety is our highest priority. So, for the safety of their child, we must see their Security Label at pick-up. AND if their child needs them, we will TEXT them.**

Playtime \ There are activity pages available for those who would like to color, but otherwise there are plenty of fun things to play with in the room

SNACK \ LOLIPOPS AND LEMONS

- Have the kids put away their toys 5 minutes before snack time
- Have kids sit around the tables.
- Work together to pass out snack (Goldfish and Chex, which are gluten free) , but encourage them not to eat until after you have all prayed together.
- Invite a child to pray, thanking God for the food.
- While eating, ask them if anyone had any “Lollipops” (good things that happened) or “Lemons” (bad things that happened) that happened this last week.
- When kids share their lollipops, immediately thank God! When kids share their lemons, immediately offer to pray for them or ask if someone would like to pray for them. Model short, 1-sentence prayers.

LARGE GROUP \ KIDS WORSHIP ROOM

Large Group

Leader \

- Have the kids throw away their trash and line up.
- Lead the kids to the worship room.

Leaders and Assistants \

- You are still primarily responsible for your class, not the Large Group or Worship leaders.
- Do not sit on the edges or in the back of the classroom. Instead, sit in the middle with your kids, preferably on the floor, but chairs are available if that is better for you.
- The absolute best way to assist during Large Group is to encourage the kiddos to participate by using encouraging words, facial expressions, and modeling how to engage (singing, dancing, listening, sitting down, etc.)

CIRCLE TIME \ 4 QUESTIONS AND CHRIST CONNECTION

Leader\

- Ask
 - What did you like about today's story?
 - What did you not like about today's story?
 - What did we learn about people?
 - What did we learn about Jesus?

Christ Connection: Jesus showed His glory to Peter, James, and John. Jesus said He would die, rise from the dead, and return to heaven. One day, Jesus will come back to earth in His glory to make all things new.Supplies:

ACTIVITY \ SUNCATCHERS

- 2 sheets of clear contact paper per kid
- Tissue paper squares
- 2 Craft stick frames per kid
- White glue
- Coloring supplies
- 10" of yarn
- Tape

Directions:

1. Provide each kid with two sheets of clear contact plastic. Help the kids remove the backing from one.
2. Show them how to tear bits of tissue paper and stick them to the contact plastic. Instruct the kids to leave about a half-inch border around the edge.
3. When kids finish sticking bits of colored tissue paper to their first sheet, help them remove the back from the second sheet and place it over the first sheet so that the two sticky sides are facing inwards, sealing the tissue paper inside.
4. Glue the picture craft stick frames to their colorful contact paper creations, one on each side to build a study frame.
5. Color the frames with fun designs
6. Tape the yarn to the frames to form a hook.

Say • These sun catchers will look beautiful when sunlight shines through them. Today we learned about a time Jesus shone brightly with glory. What do you think that would have been like to see?

PICK-UP

As kids are getting picked up, ask the parents to show you their Security Labels and match it to the child's name tag. Please do not send a child home with a person who doesn't have the matching Security Labels.

Send the child home with their craft and Activity Page (even if they did not complete it). Show the parent that there are some activities they can do during the week to disciple their kids at home.
