

3.24.22

Preschool 2.0

Goals

- Help preschoolers learn the Good News of Jesus
- Help preschoolers learn who God is and His love for them
- Engage preschoolers in an age appropriate way that best suits their developmental level
- Give parents an opportunity to sit under the teaching of the Word of God and worship Jesus with confidence that their preschooler is being taught Christ-centered truth in a physically and emotionally safe environment.

What's working

- General Timeline
- Coloring Sheet
- Active songs, video songs are "fine"
- Lesson video (but don't get a lot b/c of the amount of words)
- Craft

What's not working

- Not enough organized class time
- Four questions
- Crowded room
- Craft sometimes too hard
- Don't get a lot out of the video

Other ideas

- Extra scheduled stuff
- Revamp the questions
- Simpler books
- Print out lyrics to the songs
- Clean-up, line-up, count kids, "Who Came to Church Today"
- Repeat one sentence "Story Point" many times

Effective Immediately changes

1. Removing the music videos and playing the worship songs off of a speaker. (Simple instructions will be included in your lesson plan)
2. Adding one hands on activity to the lesson time to help include hands on learning.
