

# 4 Year Old - 5th Grade Lesson

Today we have a very simple, yet fun Sunday planned for the 4 year olds - 5th graders!

We will be going through a rotation style schedule. The three rotations are:

- The Big God Story Musical in the 5th grade classroom.
- Craft on the Landing
- Playtime, Organized Game, and Worship for the different age groups, respectively.

# Game

**4 Corners:** There are 4 labeled corners in the room. The person who is "it" sits in the middle and closes their eyes (no peeking!) and counts to 10. While they are counting, everyone else runs to a corner before they finish. At the end of counting to 10, the person who is it will yell out a corner. If you are in that corner, you are out. Keep playing until only one person remains. The last person is the winner and gets to be "it" next.
